

Bringing Dreams to Life . . . 

February 9, 2021

Dear Girl Friends Fund Presidents and Liaisons,

Our Girl Friends' Year 2021 has started, in some ways, as our year 2020 ended....meaning safely addressing the COVID-19 pandemic in our gatherings. It is our hope that this letter finds you and yours in a safe space.

We are looking ahead into 2021 knowing that our Girl Friends Fund, Inc. (GFF) gatherings will continue to be virtual. And to that end, we are grateful and excitedly looking forward to our upcoming virtual General Meeting and associated scholarship fundraising events.

The GFF Silent Auction Committee is committed to our annual scholarship fundraising efforts. Naturally, we would prefer the fun and excitement of an on-site Silent Auction, but that not being possible, the GFF president, GF Ann Walters Pope, has given her blessings for another Silent Auction Fundraising Monetary Donation effort.

The Auction Committee is asking that our Girl Friends (GFs) from every chapter far and wide to please consider making a chapter monetary donation and/or individual GFs monetary donation to the GFF Silent Auction Scholarship Fundraiser. We would appreciate you ensuring that donation considerations be placed on your monthly chapter meeting agendas for discussion and a decision. Making monetary donations can begin immediately and should a monetary donation be made; we ask that you do one of two things:

1. Mail a chapter check or individual check with the designation "for the GFF Silent Auction" written on the Memorandum Line to the GFF Financial Secretary, GF Tamara Turnley -Robinson, 3348 Brickley Lane, Atlanta, GA 30068.
2. Visit the GFF website and click on the DONATE NOW tab to make an online donation. After entering the amount and clicking DONATE \$\$, please indicate that your donation is for the "GFF Silent Auction" where it asks you to indicate general or scholarship name and click CONTINUE to complete payment details. This is so that the Financial Secretary will post the donation correctly.

GFs, the Silent Auction Committee, as always, is so grateful for your continued support of our scholarship fundraising efforts. These are challenging times and as with so many other efforts, we are trying to be flexible, yet, effective.

In the coming months, you may look forward to auction reminders that will contain auction fundraising guidance and deadlines dates. For questions and/or additional information, please do not hesitate to email the auction committee chairman at any time. The email address is: GF Sonya Goldsboro, jgolds64@gmail.com.

Girl Friendly Always!!
