The purpose of the Fund is to help African-American men and women realize their dream of an equal opportunity to a college education by awarding college scholarships to deserving graduating African-American high school seniors in need of financial assistance and who (as the result of insufficient income) may have no other means of realizing a college education. Awards are presented to selected individuals who will be attending an accredited four-year college or university and who meet the selection criteria, including documented financial challenges, exceptional academic achievement, strong moral character and exhibited commitment to community service. Their scholarship is renewable annually providing the individual continues to meet the academic standards set by the Fund.
